'68 RENAULT EXECUTIVE CARS ON SALE NOW!!

Low mileage, all colors, fully equipped, some with air conditioning, automatics and stick shifts.

SAVE HUNDREDS

With a car that gets 35 miles to every gallon, no gas company will.

In fact, on a full tank, you can drive about 350 miles without stopping for gas. And if you avoid our top speed of 85 m.p.h., you might even do better.

Then there's Renault's sealed liquid cooling system. You only have to check on the anti-freeze every 18,000 miles.

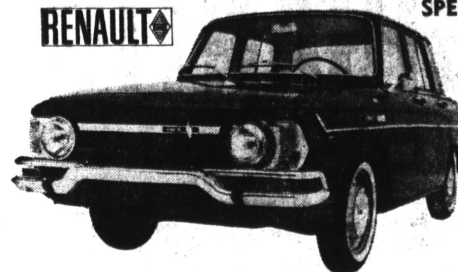

So the anti-freeze people won't get rich on us either.

As you can see, when we built the Renault 10 we were more concerned with your pocket book than theirs.
